## PROCEDURES

### LIBRARY CARD ACCOUNTS

- When a patron requests to sign up for a library card account:
  - Please request a photo ID and proof of address.
  - Hand the patron a library card application and request they fill it out in pen.
  - Check Apollo to make sure they do not have an account already.
  - While the patron is filling out the application form, staff can begin to fill in the necessary information from the patron's photo ID and/or proof of address.
  - Make sure to select the correct type of card. The following are available for use:
    - Patron
    - Family
    - Business
    - Student (digital access only – no parental signature required)
    - School (adult educator)
    - Homebound
    - DO NOT use New Member
  - Open Access and non-resident patrons are limited:
    - Patron
- When the patron is finished filling out the form, please verify the information matches their proof of address and that they have completed the entirety of the form.
- Staff will finish filling out the information in Apollo, including how patrons will be contacted for overdues, date due warnings, reserves, and check out receipts.
- Staff must hit save. The expiration date is automatically set for three years.
- Staff will give the patron a brochure with the library hours, information about the library, and a card with their barcode number written on it. The patron is now in the system.
- These forms are set away from the circulation desk, to protect patron confidentiality.
- Open Access
  - Pursuant with Iowa Library Services, most libraries in Iowa participate in Open Access. This means patrons from across the state can sign up for library cards at most of the libraries around the state. The process is the same for other library cards.
  - There is no fee.
- Non-resident cards
  - Patrons must purchase their library card. These should expire every year. Staff will need to change the expiration date, and inform the patron, before information is entered, concerning non-resident cards.
  - Non-resident card accounts are \$40 per year.
    - The fee for a non-resident card closely matches what a patron living in city limits pays in property tax each year for library service.
- If a minor 14 or younger wishes to sign up for a library card, their parent must be present for a patron account to be issued. A student account can be issued without the parent present.
- Minors under six (6) years of age are not eligible for library cards.
- Patrons can have a patron or family card account and a business or school card account. Patrons CANNOT have a patron card account and a family card account or a patron card account and a student card account.
- Library card applications must be done in person.

- When a patron needs to renew their library account, the steps required are the same as if they were signing up for a new card.
  - They must be present.
  - They need to fill out a new form and show proof of address.
  - Do not issue a new patron barcode unless the account has not been renewed since 2016. Just update the existing account. Patrons may request a new card at no charge when the account is due for renewal.

  - After thirty (30) days, a refund is no longer available. Staff will welcome the patron to keep the item they paid for.
- Lost library cards
  - Patrons may request a replacement for a \$3 fee when their account is not due for renewal.
  - Patrons may request a replacement for no charge when the account renews. Staff should not suggest a replacement as it affects all digital services they may use.
